Daniel Welder, MD, MPH
Program Director
Gulf Coast Regional Blood Center
1400 La Concha Lane
Houston, TX 77054

Dear Dr. Welder,

The Gulf Coast Regional Blood Center, located in Houston, Texas, is currently accredited by the Foundation for the Accreditation of Cellular Therapy (FACT). The accreditation renewal process has not been completed, but the organization is in good standing and is in the process of renewing its FACT accreditation for:

- Cellular Therapy Product Collection by Apheresis for Administration and Further Manufacturing

This organization's current accreditation remains in good standing to March 30, 2026. FACT-accredited organizations are listed on the FACT website at <https://accredited.factglobal.org/>.

Thank you for your participation in FACT accreditation and your commitment to providing quality care and laboratory services in cellular therapy. Please contact us at any time if there are questions or you need additional assistance.

Sincerely,

Phyllis I. Warkentin, MD
